(Please use as much space as needed to complete your answers)

What is the main challenge, opportunity or objective this project addresses? Why do you believe there is a need for this project?

Describe your project with particular focus on how it will build relationships or understanding between education and the business community.

Please provide a schedule of events and activities that will be part of your project.

Approximately how many students will be involved or affected by this project? Please explain how they will be engaged and how you arrived at your number.

How will you determine whether your objectives have been achieved and whether your project is successful?

Will you share your ideas with other classes or schools?

Please provide a specific and detailed budget for your project. Include information such as materials, sources of supplies, and costs. We encourage you to purchase from local Chamber member businesses whenever possible (a list of members can be found on our website at www.concordnhchamber.com). Costs can include supplies, equipment, materials, food, etc.
