FINANCES

[†]Tuition is \$50. CASL expects students to make financial investment in the program. This is a fraction of what it costs to provide the program for each student. ***You do not need to send the \$50 fee until you receive your acceptance letter into the program.*** Tuition assistance is available; information will be sent to you upon your selection into the program.

DRESS

CASL participants will be meeting with prominent civic and business leaders throughout the state capital—all students are required to dress in business casual attire appropriate for the State House and photos with government officials. Participation in CASL includes walking around the city in March.
